gathered

are
various
methods

to
convey
what's in
your
heart to
another

and
there is
one that
is most
effective
on us

Like
showing
it through
direct
affection
or a gift

Everybody
has their
own
method

That
is

Yuki!

ssf

ス
ッ

thank you!
a letter
filled with
feelings

Read
this!

EH?
WAI...

Ah...

Why
...?

Shake it

Shake it

Sweet...

Why do you
always end up
eating it before
you read it?

**YOU
DUMMY!**

For us...

letters
filled with
feelings
are very
delicious.

You
understand,
don't you?

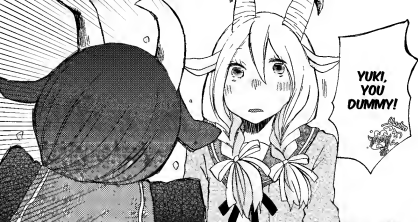

That's
right...but...
I wouldn't
know.

I haven't
thought
about
wanting to
eat some-
thing like
that...

You
nu

Eeeh?
I was looking
forward to
what it
tasted like.

Hmph

There
isn't!

No letter
today?

There ain't
gonna be
one!

Rattle
to do...

Um...
Please
accept
this...

Yes
?

Yuki...
san

All right.

Then...
I'll leave
it at
that...

Eh?
Why?

Why
wouldn't I?

You're...
reading
that?

Letters are
something
that you
read, right?

You?

She
doesn't
even
try to
read
it.

Why...

Clench

If it's filled
with feelings...
it's delicious,
isn't it?

No
matter
what I
write she
ends up
eating it.

But in this case
it doesn't seem
quite delicious, it
feels more like
it'll give me
heartburn so I
can't eat it.

That's
right...
com-
pletely
...

Dear Yuki-san

Yeah,
you're
right.

Then
why?
It's full
of them,
isn't it?

What...that...
I don't get it...
I don't get it...

That's right,
you just don't
understand.

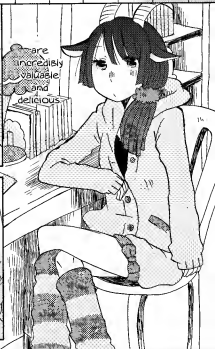

For us, it's
said that
letters full
of feelings

I've heard
that, but
never
thought
it to be
true

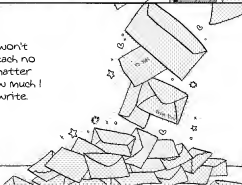

are
incredibly
valuable
and
delicious

However,
Yuki says
the
letters I
write are
delicious
and eats
them

won't
reach no
matter
how much I
write

The
letters I
loaded
with
feelings

Is there some kind of secret to the paper?

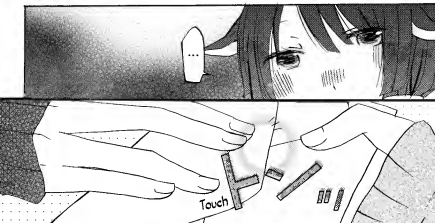

Tomorrow.
will I really
understand..?

No, it's
normal...

I love you

Do you
want to
eat it?

I...
want
to...

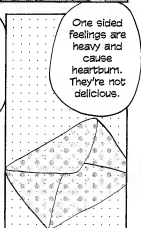

Then

Kiss
♡

It's just a
letter, yet it
looks so good.
You just can't
help yourself.

The taste from
the fragments
of feelings in
the letter
coming
together with
mine is very
delicious.

What did you
write?

The same thing
that you've
always given me!

Hey Yoru,
what do you
always write?

What were the
contents of
the letters
that always
tasted so
good?

But...

I won't
say it...

I'll
write
too.

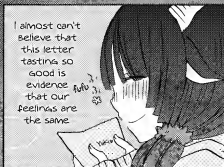

Yuki will
eat the
letter
without
reading
it.

Yoru, I love you ♡

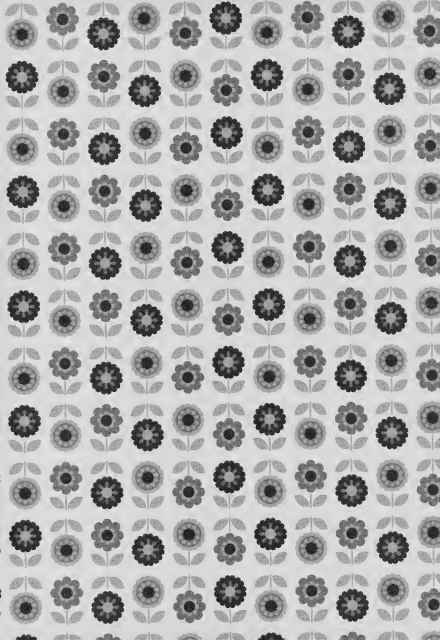

From Yuki

I'll write
them again...
starting
tomorrow...

いつも描いてる
すこしふしぎ系とは別です。

この人らは人の中に混ざってますが

私は気が付かなかったのですが
某映画の子供達と名前が
だだ被ってました。

友人にネーム見て
笑った時に発覚。

名義
あの映画の子供達と
一緒？

映画見てないのと気づいた...
本当 いろんな意味でサバサバした。
